

## **County ARP Funds Received Building Entrance Modifications. Food Bank Grants Emergency Funding for Freezer Repair.**

The contributions report for the last month includes a very large contribution of \$135,000 from Klamath County's American Rescue Plan Fund. These funds are to be used for a remodel of the front of our building including primarily a redesign of the three front entrances and to bring all entrances up to ADA compliance. Two of the entrances will also receive enclosures to create a weather cell double door entrance. Construction on this project may start as early as late August.

The State Food Bank recently granted \$5,000 to assist with the repair of our walk-in freezer which need a new compressor unit. The local Klamath County Food Bank also granted support by providing emergency storage of our frozen foods during the repair. Those Food Ban folks are the best.

Individual donations are also being received for general operations, capital projects and toward our endowment program. Please consider a gift this year.
