

Sky Lakes and Chrystal Springs Foundations and Oregon Office of Rural Health all Award Grants in June.

Our partnership with Sky Lakes Medical Center has many faces. The Medical Center and Wellness Center staff are eager to collaborate with us in all our health promotion activities, and now the Foundation has stepped up with a small grant to our general fund. Anne Davenport our Health Promotions Manager successfully wrote an Elder Service Innovation Grant to The Oregon Office of Rural Health to implement a new software program that will support our Meals Program.

We start a new fiscal year in July and establish a new annual goal to raise General funds. Local contributions make a clear statement to the many out-of-the-area foundations that our services are valued and needed by local residents. The Center relies heavily on those foundations for support and your contribution communicates that their investment is worthwhile. Please consider supporting the Center with your financial assistance this summer. Early contributions will lever the support of others and help us achieve our goals.

Please note the announcement on page XX relating to our endowment funds. Contributors that wish to restrict their contribution to an endowment fund now have two ways to donate.

The Center continues to encourage you to be a recurring giver. These types of gifts are so important to the Center because they add stability to our funding. They also send a clear message to everyone that you have trust in the Center, its future and its importance to our senior neighbors.

You can become an on-going or recurrent giver by authorizing the Center to charge to your card periodically, such as monthly. You can also contribute by mail, personal visit or with a single telephone call to the Center. There is a giving form on page 3 of this publication.

The IRS has determined that we are a tax exempt organization under section 501(c)(3) of the IRS Code. Our Federal Tax ID # is 46-0716639.
