

## **Pacific Power, Klamath Falls Kiwanis and Reser Family Foundations All Announce Grants.**

Grants large and small. They all add up to meeting our goal in raising funds from foundations and individual planned gifts. . We are hopeful to reach a goal of \$155,000 by calendar year's end. We are now half way there. This campaign funds about 11% of the Senior Center's annual budget and is critical in raising the necessary matching and complementary funds needed to provide our services and attract nearly \$900,000 in government support. Local donations continue to be needed and are critical to our success.

Special thanks this month to The Reser Family, Klamath Falls Kiwanis and Pacific Power Foundations for this support. All three of these foundations have made recurring gifts over the past several years, and are part of what we call our Family of Foundations that we can count on for on-going support.

The Center continues to encourage you to be a recurring giver. These types of gifts are so important to the Center because they add stability to our funding. They also send a clear message to everyone that you have trust in the Center, its future and its importance to our senior neighbors.

You can become an on-going or recurrent giver by authorizing the Center to charge to your card periodically, such as monthly. You can also contribute by mail, personal visit or with a single telephone call to the Center. There is a giving form on page 3 of this publication.
