

AVANGRID STAR CORPORATE GRANTOR IN SEPTEMBER

Avangrid? “Who is Avangrid?” you may ask. Everyone in the Basin is familiar with what we originally called the co-generation project. The co-gen plant is now known as Klamath Energy and is located south of Hiway 66 just west of Hiway 97. They are a wholly owned subsidiary of Avangrid an energy services company primary located in the New England states. They have been a recurring grantor for several years in a row now and their local plant director, Greg Dolezal, serves as president of the Klamath Senior Center’s Board of Directors. We especially honor those organizations that give every year and become members of what we refer to as our family of grantors. They are also recognized with the placement of their logo in our building foyer.

Will your organization be our next grantor? Our general operating campaign has now raised 28% of its goal by the end of September, which completes our first quarter of the fiscal year.

August 2023 donations of \$52,346 were received from the following organizations and individuals:

JTMF Foundation

NCOA.

Smullin Foundation

The Center continues to encourage you to be a recurring giver. These types of gifts are so important to the Center because they add stability to our funding. They also send a clear message to everyone that you have trust in the Center, its future and its importance to our senior neighbors.

You can become an on-going or recurrent giver by authorizing the Center to charge to your card periodically, such as monthly. You can also contribute by mail, personal visit or with a single telephone call to the Center. There is a giving form on page **XX** of this publication.

The IRS has determined that we are a tax exempt organization under section 501(c)(3) of the IRS Code. Our Federal Tax ID # is 46-0716639.
