The Center continues to encourage you to be a recurring giver. These types of gifts are so important to the Center because they add stability to our funding. They also send a clear message to everyone that you have trust in the Center, its future and its importance to our senior neighbors.

You can become an on-going or recurrent giver by authorizing the Center to charge to your card periodically, such as monthly. You can also contribute by mail, personal visit or with a single telephone call to the Center. There is a giving form on page 3 of this publication.
