

We Need Your Support

With rising inflation and economic uncertainty priorities have shifted for all. This shift has affected the donations received by KBSCC. Currently, with only 29% of planned donations collected by the end of November, we are falling short of the expected 45% needed. We are optimistic that this trend will soon reverse.

Donations play a crucial role in our budget of nearly \$1.5 million. They are vital to match government funding, which constitutes over two-thirds of our budget. Every donated dollar multiplies its impact, typically generating at least \$5 or more when used to meet matching requirements for government contracts and foundation grants.

We appeal for your support to the Senior Center. Please reconsider your contribution, as it is essential to our services, including nutrition support, transportation, health promotion, education, and programs connecting our seniors to the community. Your support ensures the well-being of older adults who rely on these services. We hope to see your name on the list of donors next month.

The Center continues to encourage you to be a recurring giver. These types of gifts are so important to the Center because they add stability to our funding. They also

send a clear message to everyone that you have trust in the Center, its future and its importance to our senior neighbors.

You can become an on-going or recurrent giver by authorizing the Center to charge to your card periodically, such as monthly. You can also contribute by mail, personal visit or with a single telephone call to the Center. There is a giving form on page 3 of this publication or online at klamathseniorcenter.com.

The IRS has determined that we are a tax exempt organization under section 501(c)(3) of the IRS Code. Our Federal Tax ID # is 46-0716639.
