

We Need Your Continued Support

With rising inflation and economic uncertainty priorities have shifted for all. This shift has affected the donations received by KBSCC as well. Currently, with only 31% of budgeted general contributions collected at the end of December 2023 we are falling short of the budgeted need by 69%. Moreover, general contributions are down by nearly 19% from this same time last year. Additionally, the contributions directed for Meals on Wheels is 29% lower than the amount received last year.

Donations play a crucial role in our budget of nearly \$1.5 million. They are vital to match government funding, which constitutes over two-thirds of our budget. Every donated dollar multiplies its impact, typically generating at least \$5 or more when used to meet matching requirements for government contracts and foundation grants.

We appeal for your support to the Senior Center. Please reconsider your contribution, as it is essential to our services, including nutrition support, transportation, health promotion, education, and programs connecting our seniors to the community. Your support ensures the well-being of older adults who rely on these services. We hope to see your name on the list of donors next month.

We appreciate your donations!! We are able to offer these services because of your generosity. Donations we are able to receive include: time, stocks, and real property as well as monetary donations.

The Center continues to encourage you to be a recurring giver. These types of gifts are so important to the Center because they add stability to our funding. They also send a clear message to everyone that you have trust in the Center, its future and its importance to our senior neighbors.

You can become an on-going or recurrent giver by authorizing the Center to charge to your card periodically, such as monthly. You can also contribute by mail, personal visit or with a single telephone call to the Center. There is a giving form on page 3 of this publication or online at klamathseniorcenter.com.
